

## Chesapeake & Ohio H-8 / Virginian 'AG' Reservation Information

Because the quantities are limited you may want to provide an alternate to your first choice and so designate it to prevent a further loss of time and possible selections, we will do our best to honor your first choice.

**Version #1 (\$4,650)** - is a mid to late service configuration that will be our basic version and it is representative of the largest number of locomotives over the longest service period, this configuration has not been previously modeled by other builder/importers. The main unique characteristics of version #1 are that the lower firebox lagging has been uniformly removed from the locomotives of all orders, the 'road' has installed their own overfire jets and illuminated number boards are a common feature. Available with road numbers 1600-1644 inclusive, each model dependent upon road number will have it's correct unique detailing including: cab window configuration, bell bracket style, pilot detail, eccentric crank style and exhaust stack height.

**Version #2 (\$4,650)** - will model the last prototype order of the class, available with road numbers 1645-1659 inclusive, this version will have the Lima installed overfire jets on the firebox and is essentially unchanged from it's original configuration.

**(SOLD OUT) Version #3 (\$4,700)** - will model road numbers 1607, 1608 and 1609 the only three H-8's whose tenders were equipped with Commonwealth trucks. Other than tender trucks this version's features will be consistent with version #1, the H-8 with Commonwealth trucks has never been offered before and it is limited to ten (10) models.

**Version #4 (\$4,650)** - is a builder's photo version of the Virginian 'AG', it will have the small size 'Virginian' lettering on the tender and the graphics color will be white. This version will only be available with the road number 900 and will be limited to only ten (10) models. The paint finish on this version will also have a higher level of gloss as compared with the service version.

**Version #5 (\$4,650)** - is the in-service version of the Virginian 'AG', it will have the large 'Virginian' lettering on the tender and the graphics will be Dulux Yellow in color. The road numbers available are 900-907 inclusive.

---

## Chesapeake & Ohio H-8 / Virginian 'AG' Order Form

The version prices are as noted above (plus shipping) and there is a \$1,000 non-refundable deposit required at the time of ordering to secure your reservation. An incremental payment of \$1,000 will be due as the final assembly commences, with the balance due at the time of final delivery. A confirmation letter will be issued to verify your reservation details and deposit, periodic project updates will also be supplied to allow you to track the progress of the project.
